

Hello fellow animal lovers!

I recently came across an Amazon program called "Amazon Smile".

This is an AMAZING program! Free! Same prices! Donations to charity!

This program enables anyone to donate .5% of their purchases to the charity of their choice. I have recently enrolled and now .5% of my purchases will go to Pets Come First!

Here are some detailed instructions if you would like to set up an Amazon Smile account to benefit Pets Come First!

If you are using a laptop or PC, you pretty much just log into smile.amazon.com and follow the instructions from there. Or keep reading on....

I tend to use my iPhone for everything. This is where it got a bit tricky for me....and here's the work around to make it all happen.

You will need to change your Amazon account to an Amazon smile account and create a shortcut (there isn't an "Amazon Smile" app. Just a regular Amazon app.

Here's a useful link about the program:

<https://www.amazon.com/gp/help/customer/display.html?nodeId=201365340>

Sooo,

Here's how to create what looks like an app on your iPhone but is actually the Amazon smile website.

First, know your Amazon username and password!

Next, delete the Amazon app by holding a finger on the icon until it giggles...then x it away.

Now, open Safari on the bottom of the screen. Type in smile.amazon.com. Enter your username/password.

You will be guided to pick a charity. It was easier for me to search "Pets Come First".

**Pets Come First Inc**

Centre Hall, PA

Founded 2005

Select

Pets Come First, Inc. is strongly committed to our mission of facilitating the placement of stray and unwanted animals into loving homes. We are dedicated to ensuring responsible shelter management within our community, working together to eliminate the critical overpopulation of homeless, stray, and abused animals.

Educating our community on the importance of spaying and neutering all animals will decrease the number of surrendered and unwanted animals to area shelters and rescue groups. We...

Programs: Adoption Program, Spay and Neuter Clinic

Regions: Local

Categories: Animal Protection and Welfare (includes Humane Societies and SPCAs)

Now that you have converted your account to an Amazon Smile account and chosen your charity, here's how to make the webpage appear as an app on your iPhone.

3. Tap the 'share' button  on the bottom of the screen.
4. Tap the 'Add to Home Screen' icon. You may need to swipe to the left to see this.

This should create an Amazon Smile icon like this

From now on, when you shop on Amazon through this link, you will be supporting Pets Come First!!!

\*\*\*I am not familiar with Android devices. I assume that creating a link should be similar on those devices.

Please feel free to contact me with any questions!  
For the animals,  
Matt
